

REMARKS

The Office Action of January 11, 2005 has been received and its contents carefully noted.

The Office Action allows claims 1-10 but rejects claims 11-27. In order to secure allowance of the application without further prosecution, the present Amendment cancels most of the rejected claims. However, rejected dependent claims 22 and 23 are being amended to depend from allowed claims 6 and 7, respectively. It is therefore respectfully submitted that they are patentable along with the allowed claims.

For the foregoing reasons, it is respectfully submitted that the present application is now in condition for allowance. Reconsideration of the application is therefore respectfully requested.

Respectfully submitted,
